

HOW CAN I BECOME A MEMBER OF PVRC?

Attend two chapter meetings, the first to be introduced and the second to be voted on to membership.

While there are no geographic requirements for membership, you must be within the circles established by the various sponsor organizations for your score to count towards the PVRC score. Go to http://pvrc.org/pvrc_circle/PVRC_Circle.htm to see which circles you are in.

THE PVRC CIRCLE

Green: ARRL VHF Circle
175 mile radius
Around 38.075N,
78.171W

Red: ARRL HF Circle
175 mile radius
Around 37.43168N,
77.858482W

WELCOME TO THE POTOMAC VALLEY RADIO CLUB

The Potomac Valley Radio Club is an amateur radio club dedicated to contesting. We welcome newcomers to amateur radio and to contesting. You are invited to learn more about us and to join.

CONTACT INFORMATION

- Visit our web site at pvrc.org
- Contact PVRC President, Tom Valenti K3AJ at tomk3aj@gmail.com
- Contact one of the chapter Chairs listed on the PVRC web site

THE PVRC MISSION

The mission of the Potomac Valley radio Club is to promote excellence in radiosport by:

- Competing and winning in club competition
- Stimulating the development of operating and technical skills
- Sharing information and knowledge
- Attracting, mentoring and supporting new contesters
- Developing a spirit of camaraderie and fun

BENEFITS OF PVRC MEMBERSHIP

- Enhance your operating and station building skills through the many resources of PVRC, getting to know and learn from many world-class operators and station builders.
- Participate in PVRC “5 Million” and “PVRC Olympics” award programs designed to reward your progress as your skills and activity level develop
- Be part of a winning team by contributing your contest scores in club competition
- Enjoy the opportunities for fellowship, camaraderie and learning at your local chapter meetings
- Be a part of our online community on the PVRC Reflector or Facebook page.

IS PVRC MEMBERSHIP FOR ME?

You don't need a big station or need to be a big-time contester to become a PVRC member. Many of our members participate with “100 watts and a wire.”

We welcome contesters of all skill levels. Play as much or as little as you like. It's about having fun.

PVRC has won many titles in club competitions in all kinds of contests – DX, domestic, CW, SSB, RTTY and VHF. Your score, no matter how modest, makes you a part of a winning team!
