8. Valid contact: Completed two-way QSOs on any of the bands listed above . No crossband or crossmode QSOs.

8. Scoring: Two points for each completed QSO with a PVRC member, one point for non-members. Total multiplier is the sum of all states, DC, Canadian provinces, and DXCC countries worked. (AK and HI count as a state or a country, not both.) Non-PVRC members do NOT count for multiplier credit. As a special bonus in celebration of our 60th year as a club, multipliers DO count once for each band, and you are encouraged to work PVRC members on as many band/modes as possible.

Maritime mobile contacts count only for QSO points; not a multiplier.

If the club call W3GRF (or other designated calls such as W3AU or W7YS) are active and sends a state of "PVRC" then "PVRC" is an additional multiplier.

10. Reunion call: CQ PVRC

Please send your final score (Call, Q's, Mult, Score) within 30 days to the Secretary, Anthony Brooks 212 Ocala Rd, Glade Hill VA 24092 or to wm3t@wm3t.com (e-mail preferred).

No log need be submitted. A check sheet is available in several different formats on the PVRC web site. PVRC retains the right to request log details if verification of your claimed score is necessary.
